Dearest Bea,

Bea

Hi beautiful !! Gee! It's really been fun knowing you. So know you is to love you!. (As ——— would say!) After reading all there "nice" notices and stuff, I really don't know what more there is to say. You already know what a wonderful, beautiful, gorgeous, lovely, intelligent girl you are. So why should I tell you?:

We've really had some

Dear Bev

We've really had some
gay times together in English
haven't we? I would have
been lost without you and
I hope we get together next
year. I think that you're
really tops and everything.
Lots of luck with Cully
and be good.

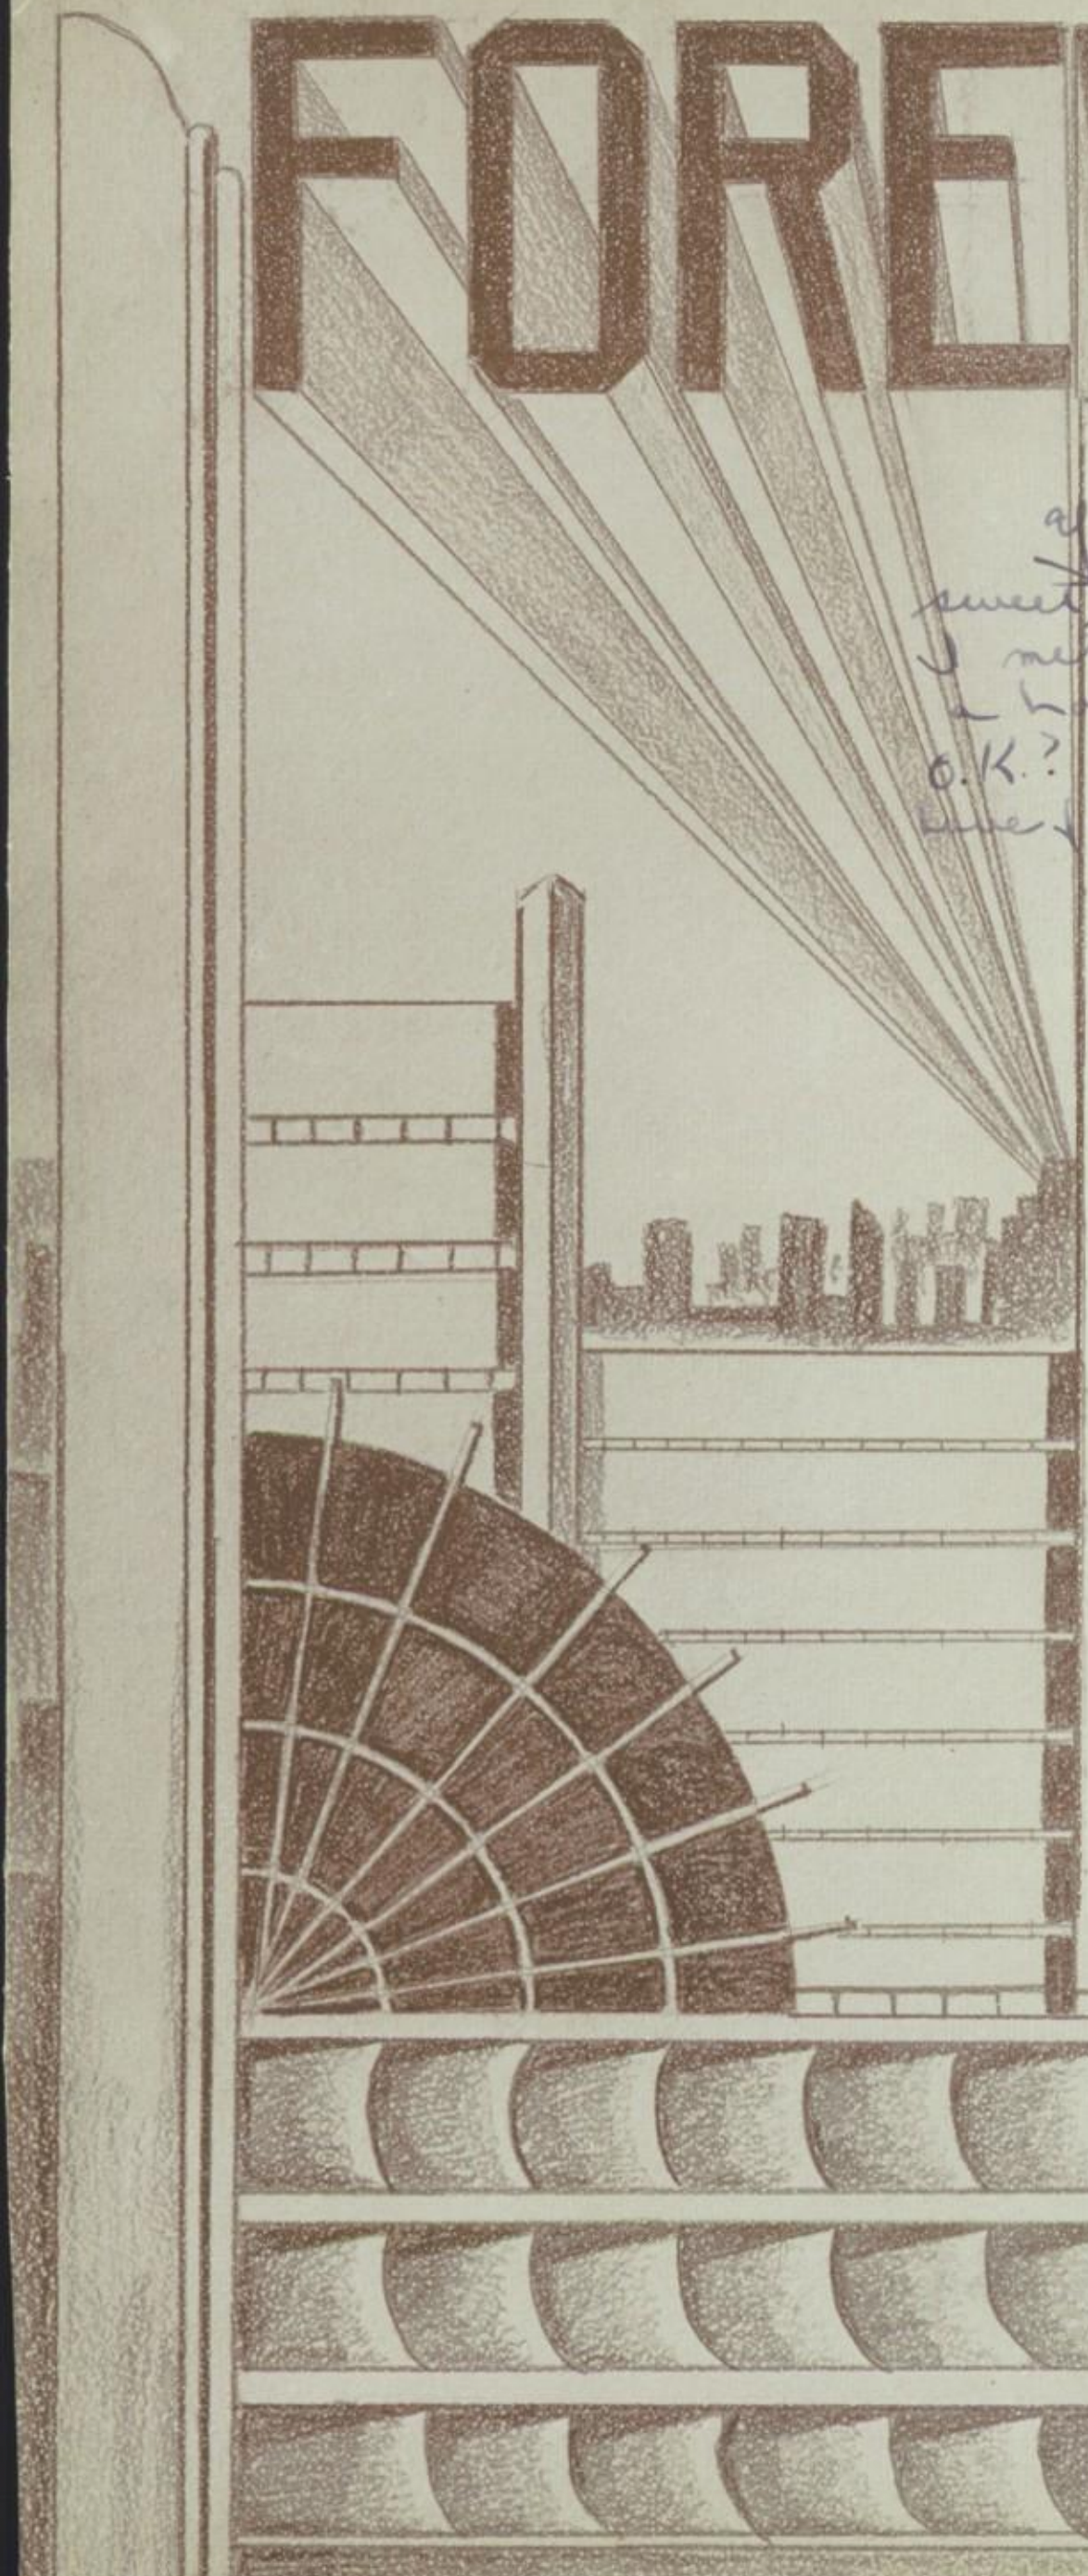
UNITED FOR VICTORY

FOREWORD



★ The dream is ancient — that world you may live in tomorrow — but the vision takes new forms today. Television, electronics, and miracle devices will create cities that are but fantastic dreams to us today. Schools will also advance with time, offering social and vocational training in the daily curriculum.

★ With this background, youth can face the future with confidence, knowing as President Roosevelt once stated in his speech to youth... "One day a generation may possess this land, blessed beyond anything we now know, with those things, — material and spiritual — that make man's life abundant. If that is the fashion of your dreaming, then I say, 'Hold fast to your dream. America needs it.'"

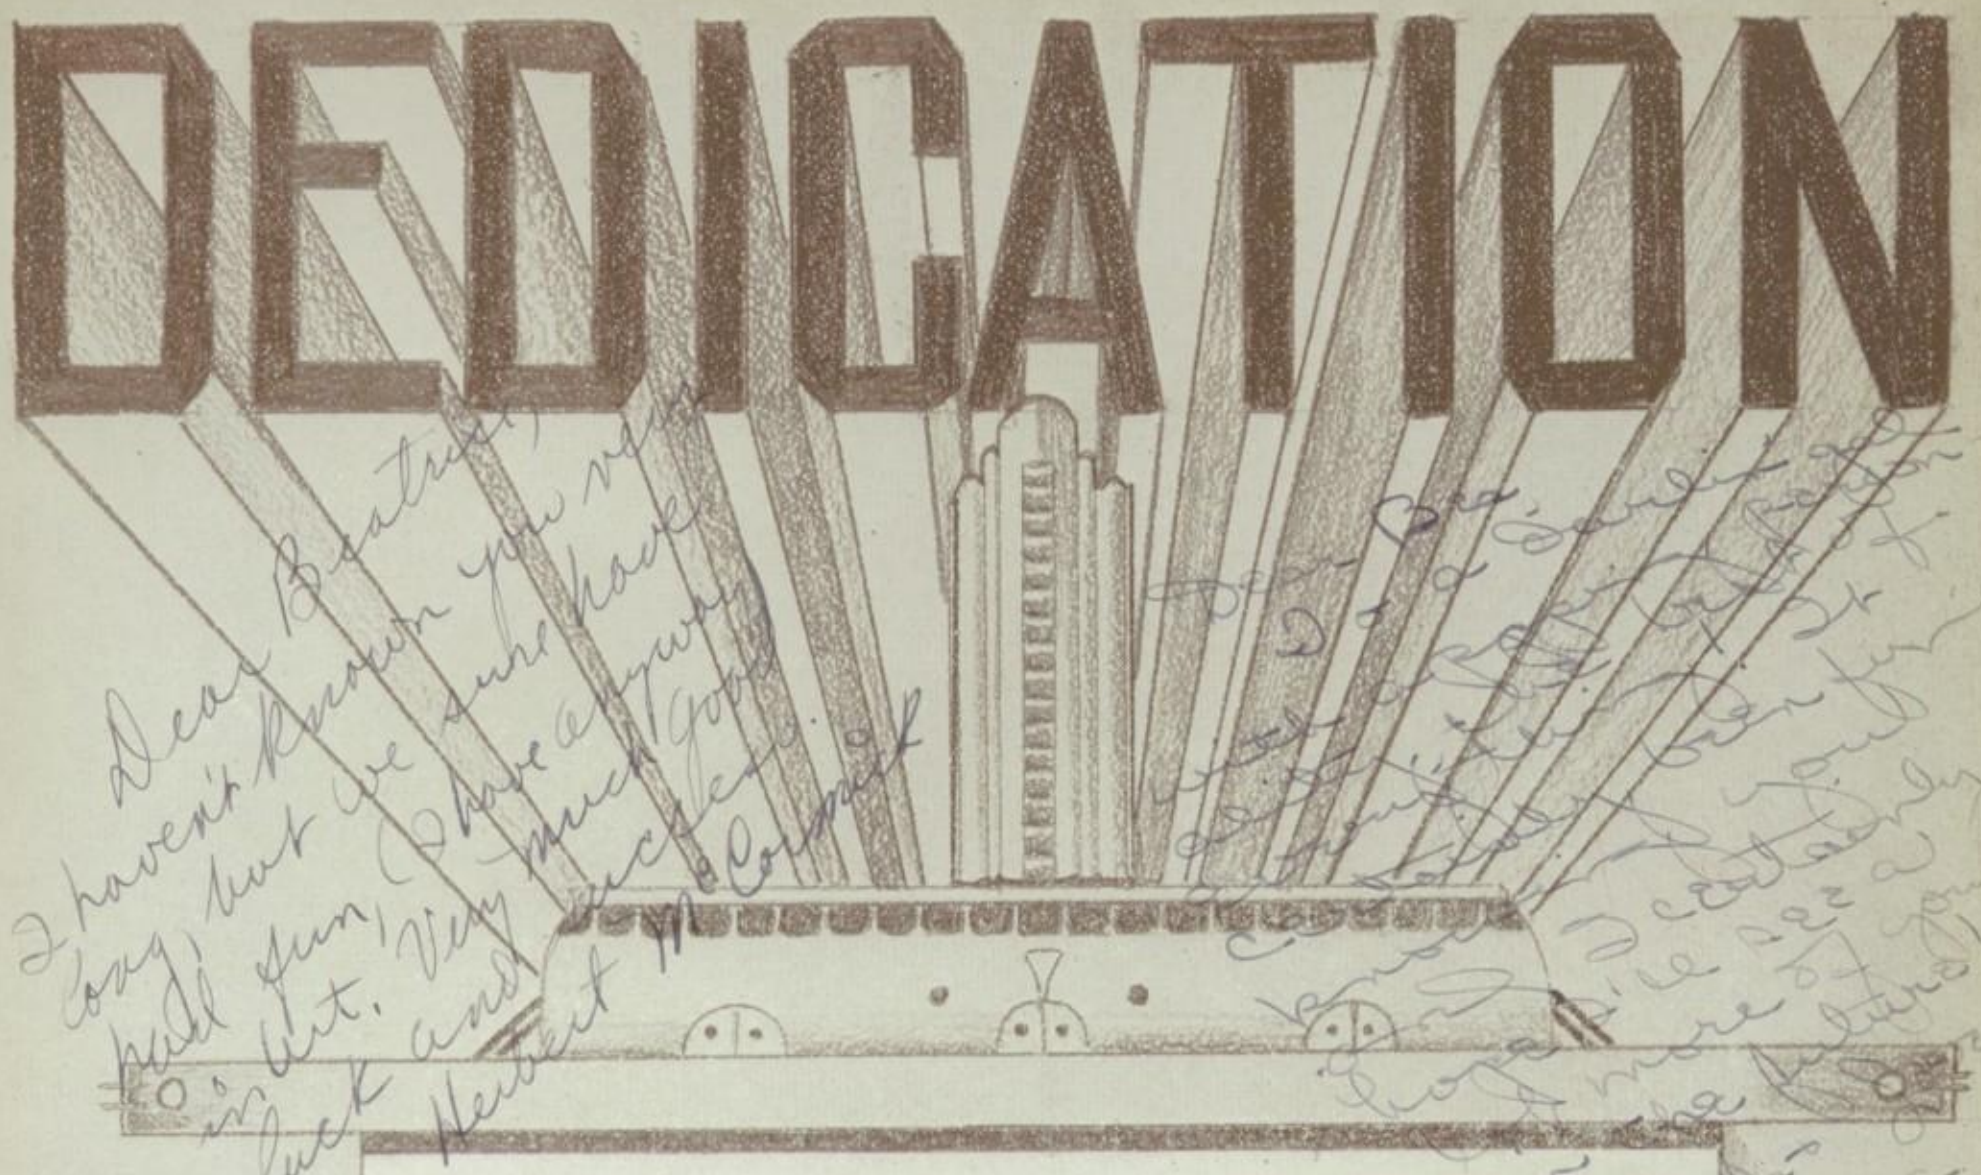
DEDICATION



★ Nations of the future must plan together for world peace under some kind of organization, but each country must plan its own domestic affairs, as well. If world aims look forward to a world of freedom, then the domestic plans of any country must look forward to a people who are free within it. Provision for this freedom will be the test of young America.

★ If our citizens of tomorrow believe in that merited document, The Declaration of Independence, which guarantees their right to life, liberty, and the pursuit of happiness, and if they will direct the extension of freedom and equality to all men throughout the world, America's future will be secure and exemplary for all time. Therefore, we dedicate the 1944 SAGAMORE to those young people who are sincere in their efforts to do something about building a better world.

Democracy for Roosevelt

Roosevelt High School's central government is the Student Council which is a body of representative students from each grade. This council was organized in 1924, and through the encouragement of the teachers of Roosevelt, students have done well in accepting responsibility for the conduct of their own affairs.

The activities and types of work of the Student Council are many. The work includes governing study halls, regulating noon activities, and sponsoring school parties and programs. War has brought on such additional duties as the sale of stamps and bonds, scrap drives, and paper drives.

The main work of the council is centered in the standing committees which are organized by the members of the Council. Each committee plays an important role in the success of our student government, but the Ethics Committee, the Student Activity Board, and the P.T.S.A. Boards are the best known.

Mr. Arthur Christenson became the new adviser for the Student Council this year when Mr. Carl Lundin was transferred to another school.

The officers of the fall council were as follows: Joe Christensen, president; Dick Mann, vice-president; Polly Stallings, corresponding secretary; Elnore Anderberg, recording secretary; Peter Erickson, treasurer; and Jim Norquist, sergeant-at-arms. Peter Erickson was president of the spring council with James Norquist, vice-president; Polly Stallings, corresponding secretary; Shirley Kovar, recording secretary; Robert Colburn, treasurer; and Don Kimball, sergeant-at-arms.

"Old Faithful Steams Again"

We, of the Sagamore staff of nineteen hundred and forty-four, proudly present this year's edition of Roosevelt High School's yearbook to you, the student body. In compiling this Sagamore, we have taken into consideration the likes and dislikes of the student body as a whole, and we hope that you are very well satisfied with the result.

The theme, which deals with postwar planning and inventions, shows what our school may possibly be like when some of the dreams of today become a reality of the future.

Due to priorities, war shortages, and other restrictions caused by almost two and one-half years of war, the staff has been handicapped in many different ways, but we have done everything possible to build this Sagamore from the foundation laid by previous numbers of the Sagamore with All-American ratings to a yearbook which may bring equal recognition for the class of nineteen hundred forty-four.

Teddy Star Reporters

To qualify for membership on the Standard Staff, a student must take News I and show ability to write. The staff meets daily during the fourth period in room 325. Under the leadership of Mr. LeRoy Nielsen, the staff has maintained an outstanding record.

The Standard for twelve years in succession has received All American in the National rating and first place in Columbia Scholastic Press Association awards.

At the recent convention of the Minnesota High School Press Association, the Standard received nine awards. First prize was awarded for front page makeup; and second place, for sport page makeup. William O'Rourke received third place for an editorial, as did Mary Sperling for an interview. Ed Swanson also received a third award for a sports story. Honorable mention went to a sports story by Cully Carlson, to an interview by Walter Nielson, to a class play criticism by Ed Cowdrey, and to the Standard's editorial page.

Helen Schetter and William O'Rourke were co-editors-in-chief for the fall term. Ed Cowdrey was managing editor; Shirley Sandell, associate editor; Bob Colburn, news editor; Marilyn Johnson, collaborator of the editorial page; Hugo Pehrsson, business manager; Bob Tritz, Edward Swanson, and Earl Carlson, sports editors.

Helen Schetter retained the position of editor-in-chief for the spring semester. Thomasine Thomas was assistant editor; Virginia Peterson, associate editor; Bob Colburn, school editor; and Hugo Pehrsson, business manager.

Working Toward Victory

"Service for All" is the motto of the Roosevelt High School Seton Hy. This motto proclaims the fact that the girls of this organization are willing to help their friends in serving their school and to help their country in serving their community. The club pin, which, in the past years, has designated the high quality of service rendered by these girls, has been omitted this year on account of the war.

Under the leadership of Miss Molan and Mrs. Nagel, the Seton Hy Club has advanced a great deal since the time of its founding by Mrs. Knox in 1924.

The most important requirements for membership in the Seton Hy Club are good behavior, willing service, and good citizenship at all times.

The officers for the fall term were Mary Jean Huber, president; Ann Marie Johnson, vice-president; Thomasine Thomas, secretary; Merilyn Andersen, treasurer; Emily Webster, publicity chairman. The officers elected for the spring term were Ann Marie Johnson, president; Sonia Hendrickson, secretary; Arlene Christianson, treasurer; Agnes Gardt, publicity chairman.

The club meetings are held on the second and fourth Tuesdays of each month. Outside speakers are invited to these meetings. Two of the subjects discussed have been "Etiquette" and "United States Servicemen."

In the past year the girls have helped in filling Christmas boxes for the servicemen. They have made nut cups and have given wash cloths to the Red Cross. The club joined in the all city senior party to entertain service boys at the Seton Guild.

Adelante Seimpre Adelante

El Hispano Americano was organized in 1941 under the leadership of Mrs. Esther C. Hall. This club was organized for those students who have an average of "C" or better.

The club motto, "Adelante Seimpre Adelante," which means Forward, Always Forward has great significance; for the purpose of this club is to increase interest in the Spanish language, to promote friendship, and to participate in social activities.

An award has been given each semester to the best student who has completed two years of Spanish. Those who have been awarded the bronze medal for excellence in Spanish have been Betty Christopherson, Philip Bremmer, and William O'Rourke.

The club had a Christmas party and initiation for its new members. The boys and girls in the club have also helped the Junior Red Cross. The club meets on the fourth Thursday of each month in 328B.

The fall officers are Shirley Sandell, president; Arileen Larson, secretary; Eugene Hanson, sergeant-at-arms. Spring term officers are Charles Hall, president; Jean Turnquist, vice-president; Mary Jane Frogen, secretary and treasurer; and Bruce Jamieson, sergeant-at-arms.

Character Building Organization

A branch of the Young Men's Christian Association, the Hi-Y, is one of Roosevelt's most outstanding clubs. This year besides its regular projects of operating the secondhand book room, selling the concessions at home football games, and sending the Roosevelt Standard and Y-ers to men in the service, it organized the "servicemen's visitation group." This group voluntarily canvassed each home for former Roosevelt students now in the service who were not receiving the Standard or Y-ers.

Any boy who attends Roosevelt may become a member of this club, because unlike many other clubs he is not required to have a certain scholastic average or to be in any particular grade in school. Mr. Weum is the club adviser.

The officers for the fall term were Bob Eidsvoog, president; Mel Johnson, vice-president; Richmond Ramage, secretary; Don Sandell, treasurer; and Leonard Bjella, sergeant-at-arms.

Those presiding for the spring semester were Don Sandell, president; Mahlon Degernes, vice-president; Pete Erickson, secretary; Richmond Ramage, treasurer; and Leonard Bjella, sergeant-at-arms.

Viking Spirit Prevails

The Norse Club, organized in 1926 by Mr. Benjamin Eggan, has had a new adviser in Mr. Cole for the spring semester of this year. The only qualification for membership in the Norse Club is that the student must be taking or must have taken Norse. At the meetings held on the first and third Thursday of each month, the student's interest in Norwegian culture is promoted by interesting lectures and films on Norway.

The main social events of the Norse Club have been the initiation party, the senior banquet, and the Norse-Swedish basketball game.

The Norse trophy is awarded by the Sons of Norway to the boy or girl who has made the greatest progress in scholarship and who has shown real interest in Norwegian culture. The winner for the fall term was John Hanson.

The officers for the fall term were Emery Erickson, president; John Hanson, vice-president; Evelyn Wegge, secretary; and Marilyn Burke, treasurer. The officers for the spring term were John Hanson, president; Lois Johnson, vice-president; Evelyn Wegge, secretary; and John Nygaard, treasurer.

Eighteen Years of Service

"Frisch begonnen; halb gewonnen" is the motto of the German Club which expresses the thought that a good beginning is half the winning.

Any student of German who has a grade of "B" or better may become a member of the club if he is approved by the cabinet.

The meetings are held every second Thursday of the month. Among the social activities, the fall and spring banquets given in honor of the graduating seniors of the German Club are the most outstanding. The initiation ceremonies are also enjoyed because of their comical themes.

Each semester, the student who ranks highest in service and scholarship has his name engraved on the trophy of the club.

Members of the fall cabinet were Creighton Mauritz, president; Hartley Rudd and Margaret Gorgen, vice-presidents; Helen Schetter, secretary; John Hovelsrud, treasurer; and Millard Stephans, sergeant-at-arms.

The spring officers include Millard Stephans, president; Margaret Gorgen and Helen Schetter, vice-presidents; Helen Ahnert, secretary; Marilyn Akerson, treasurer; and Owen Nelson, sergeant-at-arms.

Stepping Stone to the Phi Beta Kappa

"Quest of the Best" is the motto of the Senior Honor Society of Roosevelt High School which is a branch of the National Honor Society. This club is comparable to the Phi Beta Kappa and the Sigma Psi societies at the University of Minnesota.

A student must have a 2.3 average in his studies through the tenth and eleventh grades in order to become a member of this society. Scholarship, leadership, service, and character are the requisites for membership. The pin of the club, which is a lighted torch with the letters C.S.L.S., signifies all of these things.

The club meetings are held the second Thursday of each month with Mrs. Gerard and Miss Gruber as faculty advisers. The main social functions of the Senior Honor Society are the teas given each term in honor of the 10B students who were members of the honor society in junior high school. These teas are given for the purpose of familiarizing the newcomers with the club so that they will strive toward this goal of honor when they become seniors. The induction ceremonies for the 12B and 12A members are also an important event.

During the fall term the president was Mildred Froysland; Edith Ann Burke was vice-president; and Betty Christopherson was the secretary-treasurer. The officers for the spring term were Erling Bligard, president; Dona Peterson, vice-president; and Marian Erickson, secretary-treasurer.

Using Christ as a Guide

Founded in 1939, Christian Fellowship is one of the newest clubs at Roosevelt. Mrs. Kaupang is adviser. The only qualification for membership in the club is to present Christ as a foundation for Christian character and living. The club, which is composed of both boys and girls, has as its slogan "Jesus Never Fails." The library of inspirational books helps the members to reach the club's objective, which is to present Christianity as an active principle in daily living. Meetings are held every Tuesday.

The club has had several parties this year, including a get-acquainted party, a senior farewell party, and a sleighride party. At one Red Cross meeting members made favors, nut cups, and scrapbooks. They also sent gifts to needy children at Christmas. Probably the most interesting meetings of the year are those held with leagues of the other schools. Meetings with South and Robbinsdale were held this year. The club is assisting Silver Triangle in preparing the menu and in decorating the lunchroom for the convention of Northwest Federation of Student Councils. This spring the club plans to have a Mothers' Day tea and to attend a party at the World Crusade Center.

The officers for the fall term were Ruth Larson, president; Laura Brolsma, vice-president; Audrey Janicke, secretary; Bonnie Carlson, corresponding secretary; and Shirley Olson, treasurer.

The officers for the spring term were Robert Fallt, president; Ruth Larson, vice-president; Shirley Anfinsen, secretary; Patricia Baines, corresponding secretary; and Renae Smith, treasurer.

Advertising Their School

To provide the halls of Roosevelt and the shop windows in the school district with posters, the Qui Vive is kept constantly "On the Alert." This, by the way, is the slogan of the club. It is the duty of the members to advertise plays, concerts, and school parties.

The purpose of the club is not only to publicize school activities, but also to promote a spirit of cooperation and friendship among its members. This is accomplished by several social activities during the school year. Among the activities is the gay initiation party, which is preceded by an impressive candle light ceremony.

The club is limited to thirty-two members, sixteen A and sixteen B seniors. Students should have a high scholastic standing, be of good character, and possess leadership to apply for membership. Each membership is approved by the faculty and voted on by the members of the club.

The Qui Vive was organized in 1938 and is now under the supervision of Miss Oiseth. Meetings are held every Wednesday after school.

The leaders for the fall term are Harvey Hanse, president; Bob Mohr, vice-president; Betty Christophersen, secretary; James Lindahl, treasurer. Those who are in office for the spring term are Peter Erickson, president; Dean Stagnes, vice-president; Rose Mary Holden, secretary; Neil Wales, treasurer; and John Hagerman, sergeant-at-arms.

This Way, Please

The Pilots Club is the organization at Roosevelt which ushers at class plays, at P.T.S.A. meetings, and at other social activities held in the school. It is strictly a service club, and every member is expected to serve willingly whenever called upon. This club has as its emblem the ship's wheel, which signifies that the members are guides. Pilots meet the first and third Tuesday of each month. The club's adviser is Mr. Russell Brackett.

New members are taken into the Pilots by the votes of the active members. The club is limited to eighteen girls and eighteen boys from the eleventh and twelfth grades. Only as many members as there are vacancies are inducted each semester. In order to be eligible for membership, one must have at least a "C" average and the required number of service points. Choices are made on the basis of good citizenship and spirit of cooperation.

One of the social activities in which the club engaged last year was the Pilots-Qui Vive Christmas Party. New members were initiated in March.

The officers for the fall term were Joe Christensen, president; Harvey Hanse, vice-president; Audrey Seaberg, secretary-treasurer; and James Norquist, sergeant-at-arms. The officers for the spring term were Audrey Seaberg, president; Peter Erickson, vice-president; Rose Mary Holden, secretary-treasurer; and James Norquist, sergeant-at-arms.

Fun and Companionship for All

"I Will Try to Face Life Squarely" is the slogan of upper classmen of high ideals who wish to promote goodfellowship and service through the Blue Tri. The girls who belong to the club meet every second and fourth Tuesday. The members of the cabinet which meet on alternate Tuesdays are Shirley Kovar, president; Lucille Laingen, vice-president; Margaret Gorgen, secretary; Jeanette Armstrong, treasurer; and Marilyn Evans, I.C.C. representative. The members of the fall cabinet were Beverly Loftus, president; Shirley Kovar, vice-president; Edith Ann Burke, secretary: Arileen Larson, treasurer; and Salome Titus, I.C.C. representative.

The Blue Tri is a very active club which presents many unique social activities. Each meeting is made interesting by a speaker or a program. Parties are given each semester for new members. There have been two mixers with the Hi-Y. Once a month the girls give their services to the Red Cross, and with the Hi-Y hold the annual pre-Easter service each year.

The advisers of the club for this year are: Miss Comley, Miss Leigh, and Miss Hainer.

Preparing for the Future

The Commercial Club was organized by Mr. Greenwood in 1930. Anyone taking one or more commercial subjects is eligible for membership. Meetings are held the second and the fourth Wednesday of each month.

The meetings have featured Red Cross work, speakers from business concerns, and a combination Christmas and Senior Farewell party. Corsages were given to the graduating seniors. The club prepared printed matter needed for the convention of the Northwest Federation of Student Councils.

Each semester trophies are awarded for outstanding work in the commercial department. Typing and shorthand awards are given on the bases of speed and accuracy. The winner of the commercial trophy is selected by a vote of the 12A commercial students. January award winners were: shorthand, Marjorie Staack; typing, Geraldine Gulstrand; commercial trophy, Mildred Froysland.

Fall officers were Elnore Anderberg, president; Marion Skogland, vice-president; Mildred Froysland, secretary; and Luella Backlund, treasurer.

Spring officers were Marilyn Mortensen, president; Phyllis Dahl, vice-president; Florence Moreus, secretary; and Patty Richardson, treasurer.

The Friendly Club

To be eligible for membership in the Swedish Club, a student must have taken at least one term of Swedish. The club was organized in 1929 under the advisership of Mrs. Stark. The purpose of the Swedish Club is the creation and preservation of interest in Scandinavian art, literature, and culture. The Swedish Club meets on the first Thursday of every month under the co-advisership of Miss Carlson and Mr. Yngve.

The Swedish Club, in cooperation with the Norse Club, gives a farewell banquet for graduating members of the two clubs in May of each year. Another important event of the year for the two clubs is the Norse-Swedish basketball game.

The Svithiod Lodge awards the Swedish trophy to the most outstanding Swedish student each semester.

Betty Dahl was president for the fall term; Alvin Anderson, vice-president; Joan Benson, secretary; Renae Smith, treasurer; Marian Erickson, corresponding secretary; and Jim Lyndet, sergeant-at-arms. Officers for the spring term are Ethel Israelson, president; Alvin Anderson, vice-president; Nancy Anderson, secretary; Mary Jane Borg, corresponding secretary; Viola Nilsson, treasurer; and Gerald Nelson, sergeant-at-arms.

Service for All

The Girl Reserves, better known as the Silver Triangle, is the junior group of the Young Women's Christian Association. All 10B, 10A, and 11B girls are eligible for membership. Regular meetings are held the first and third Wednesdays of every month; and cabinet meetings, on the alternate Wednesdays.

The club is mainly a service club. At one Red Cross meeting pennies were collected, paper hospital bags were made, and wash cloths were hemmed. The most important club project of the year was an effort to make Christmas a happier time for the members themselves by securing gifts for orphans rather than by exchanging gifts among themselves.

Fall term officers were Mary Crenshaw, president; Lois Gerhardt, vice-president; Phyllis Albrecht, secretary; Nancy Allison, treasurer; and Wanda Gilmer, inter-club council member.

Spring term officers are Marion Grette, president; Elaine Jewson, vice-president; Kathleen Hanson, secretary; Ruth Youngquist, treasurer; and Mary Crenshaw, inter-club council member.

The advisers are Miss Berkheimer, Mrs. Doherty, and Mrs. Wohleen.

Future Scientists

Are you interested in science? Have you marveled at the mysteries of radio? Do you think about the future of plastics? Do you wonder at such names as theokol, dechlormethylene, or lucite? If so, you should join the Science Club.

The Science Club is a wide awake organization for boys and girls who are interested in science. It meets every second and fourth Wednesday during the school year in room 223 under the leadership of Mr. Strandjord and Mr. Palmquist.

Each meeting usually includes a report on anything from archeology to television, a movie or two, and a little fun at the end.

This year the club presented an auditorium program on the principles of science and physics. The highlight of this program was a demonstration of the manufacture of synthetic rubber by Larry Lueck. The club also took charge of the refreshments at the homecoming and helped with the plans for an all-school party which was similar to last year's Spring Frolics.

The Science Trophy, which is awarded each semester to the student doing the most outstanding work in the field of science, was awarded to Norman Braaten for the fall term.

The officers for the fall term were Norman Braaten, president; Larry Lueck, vice-president; and Audrey Hungerford, secretary-treasurer.

For the spring term the officers are Larry Lueck, president; Jerry Herzog, vice-president; and Yvonne Hennen, secretary-treasurer.

Singing for Fun

The Glee Club was organized in the early days of this school and was taken over by Mr. C. Wesley Andersen in 1933. It performs the functions of a second choir and is a training class for the A Cappella Choir. This group meets every day the sixth period in room 313A.

The Glee Club's most important function in the last year was singing in a massed chorus with the choirs from all the other high schools in the city. This program was given for the M.E.A. convention at the Minneapolis auditorium in November. The Glee Club also sang with the A Cappella Choir in an auditorium program.

A system of student government has been organized in the Choir, the Glee Club, and the Chorus Classes. A student director or teacher has been chosen in each group to direct the class when Mr. Andersen is gone. In addition, a few students from each group have been elected to be on an advisory board which meets with Mr. Andersen every Monday morning before school. There is also a committee in each class to take care of the disciplinary problems which may arise during the course of the semester.

The officers for the fall term were Margaret Gorgen, president; James Flaten, vice-president; James Haglind, secretary-treasurer; Marion Rudie, librarian; Nancy Allison, hostess; and Bob Olson, host. The spring term officers are Betty Nelson, president; Joan Nelson, vice-president; Rey Mueller, secretary-treasurer; Lily Lovstedt, librarian; Lois Sorensen, hostess; and William Franz, host.

Hail to Thee

The Roosevelt High School Concert Band is distinguished as one of the city's most competent bands. Formed soon after Roosevelt was built, it has served the community through the years.

Last summer an organization composed of members of the first, second, and third bands marched in the afternoon and the evening parades of the Aquatennial.

This year the band has been stressing service to the war effort by playing at basketball games, war bond rallies, football games, and auditorium programs.

Besides the Concert or First Band, Roosevelt maintains three other bands which are preparatory to it. These train the student in band technique, music appreciation, and the fundamentals of harmony.

Each term two awards are presented to Roosevelt musicians. One of these is the Most Valuable Musician award. In order to qualify for this award one does not necessarily have to possess any natural musical aptitudes, but rather ability to stand by the organization through thick and thin and place it above everything else.

Mr. Henning has been the director of all the bands and orchestras except the swing band which is under the direction of Mr. Wakefield.

The presiding officers of the Concert Band for the entire year were Waldemar Nelson, president; Gordy Peterson, vice-president; Marilyn Akerson, secretary-treasurer; Jackson Sanford, equipment manager; Lyle Thernell, transportation manager.

Brass and Strings

To be in the First Orchestra of Roosevelt High School is the ambition of many students. Because of the high standards required of its players and because of its excellent record, it is asked to play for P.T.S.A. programs, for class plays, and for auditorium programs. It also exchanges concerts with other schools.

For over twelve years, the bands and orchestras at Roosevelt have been under the direction of Mr. Oren A. Henning, one of the finest and ablest conductors in the northwest. His enthusiastic leadership will long be remembered. Last March, however, he answered the call of his country and volunteered for overseas duty in the American Red Cross as program director. We look forward to his return when the war is over.

Besides its four bands and three orchestras, Roosevelt provides for all the standard ensemble organizations and maintains a complete solo library—the only one in a Minneapolis High School.

Two awards are presented each semester. One of these is the Most Valuable Musician Award; the other, the Most Outstanding Musician Award. The merit on which the latter is awarded is determined by the amount of musical progress made by the student during his years at Roosevelt. Deloris Hawkinson and Al Flom received these awards for the fall term.

The officers for the year were Nels E. Henjum, president; Pat Burns, vice-president; Earl Estenson, secretary-treasurer; and Haldo Norman, transportation-equipment manager.

Enjoyment Plus Education

This year the A Cappella choir, under the direction of Mr. C. Wesley Andersen, is composed of seventy-five students who enjoy nothing more than singing. This group meets every day in room 313A.

The choir is recognized as one of the finest organizations of its kind in the northwest. Last winter they made two records, which are now available to the public.

The Roosevelt choir has given many concerts at churches and other places throughout the city this year.

This is the first year that the choir has had a student director. Donald Hansen was chosen as the student director for this semester by the members of the choir because of his ability to lead and direct. In order to enjoy the privileges of the choir, all members must be able to sing and read notes.

The fall officers were Georgene Marcio, president; Paul Cornell, manager; and Marilyn Nourse, librarian. The spring officers are John Petersmeyer, president; Paul Cornell, manager; Leonard Bjella, vice-president; Marilyn Nourse, secretary-treasurer and librarian; Lucille Laingen, hostess; and Jerry Paulus, host.

Those That Excel

The Honor Roll group, of which Miss McCradie is adviser, was organized in 1926. To be eligible for membership a student must maintain an average of 2.3 at every marking of his report card during a semester. An A receives three points, a B receives two points, a C receives one point, and one point is subtracted for a Fail.

Once or twice a year this group makes a trip to some educational institution. These trips are always looked forward to. Several times the group has observed Cap and Gown Day exercises at the University.

Those seniors who have maintained an average of 2.3 throughout their years at Roosevelt are eligible for membership in the National Senior Honor Society and are presented with chenile letters when they graduate.

Almost every honor roll student finds time to be an active member of the Student Council, of some club, or of some athletic organization. This group is not composed entirely of girls; in fact, over one-third of the total number of members are boys.

This is an unorganized group and consequently has no officers.

In Hoc Signo Vincemus

The Discipli Linguae Latinae is the newest club of Roosevelt High School. This club was organized on September 23, 1943, with Mrs. Gerard as faculty adviser. Any student of Latin is qualified to become a member of the club if he has passing work or better in the subject. He must also have a desire to study more deeply the phases of Latin which can be gone over only lightly in the classroom.

The meetings are held twice each month and the members are now busy making plans that will put the club on a good foundation so that future students will be able to have a strong organization. Plans are being made now to have a benefit showing of the movie "Last Days of Pompeii."

As yet the Latin Club is so young that it has no trophy, emblem, or pin, but plans are underway to have these things as soon as possible.

"In hoc signo vincemus" is the motto of the club which means, "In this sign we shall conquer."

Officers of the club who are elected in the fall maintain their respective offices throughout the entire school year. The president of the Latin Club this year was Larry Lueck. Larry Asplund had the position of vice-president, and Ruth Seefeldt was secretary-treasurer.

The Latin Club has had an excellent beginning, and through the cooperation of the students, it should become a very active organization.

"Shutter trippers" Invade Roosevelt

"Hold That Pose" is a familiar command around Roosevelt High School when the Camera Club is in action. This club was originally started in 1930, and was active until 1935. Reorganized in 1941 by Mr. Samuelson, it had Mr. Harvey Wagner as its adviser this year. The only qualifications for membership are that a student be interested in photography and be the owner of a camera of some kind, or be able to borrow one from someone. At the meetings which are held on the first and third Tuesdays of each month after school, the members examine and discuss cameras, developing methods, and the composition of good pictures.

The main purpose of the club is to increase the interest in photography of the club members, of the student body, and of the faculty. This aim was accomplished during the past year by sponsoring a salon contest which offered keen competition for all the "shutter trippers" of the club. The pictures were exhibited in the front hall so that everyone could have the opportunity of seeing them. Prizes were given for the three best pictures. Other interesting features of the club during the year were field trips and bowling parties which all enjoyed.

The fall officers were Allan Martini, president; Dick Aura, vice-president; and Shirley Rhoten, secretary-treasurer. The spring officers were Gretchen Gearhart, president; Allan Martini, vice-president; and Shirley Rhoten, secretary-treasurer.

Serving Their Country

Organized in the fall of 1941, the Red Cross committee has become one of the most active service groups in the school. The motto of this organization is "We Serve". The emblem, which is a red cross on a white field, was taken from the flag of Switzerland where the Red Cross was founded.

During the last year, the Roosevelt chapter turned over to Hennepin County many articles including tray favors, soap, bedside tables, and numerous comfort articles for servicemen and veterans. Each of these different projects was taken over by a school club as a part of its regular program.

One boy and one girl from each half grade recommended by the executive board for outstanding leadership and citizenship serve on this committee.

The fall term officers were Pat Miller, president; Frank Fondell, vice-president; Joan Robertson, secretary; and Marilyn Evans, treasurer. The spring officers are Joan Robertson, president; Nels Henjum, vice-president; Nancy Allison, secretary; and Rodney Revsbeck, treasurer. Miss Farseth is the adviser.

Keeping It Clean

The neat and orderly appearance of our lunchroom and adjacent halls is the result of the efficient work of the lunchroom staff. This involves a considerable amount of work on the part of the staff and also keeps the two advisers, Mr. Halron and Mr. Palmquist, busy.

The staff is composed of students who have volunteered to give up a study period in order to work on the staff. During the fall term, the lunchroom chief was Pat Tolan; the superintendent of lower halls was Charles Knilans; and the superintendent of upper halls was Delores Finrud.

There are a few changes in the organization of the staff this spring. There is now a chief of superintendents, as well as an assistant chief for each of the three lunch periods.

During the spring term the chief of superintendents is Bill Knott; the lunchroom chief, Elaine Reinhardt; the assistant chiefs are first lunch, La Verne Peterson; second lunch, Donna Sell; and third lunch, Barbara Olson; the superintendent of lower halls, Warren Stovos; and the superintendent of upper halls, George Larson.

The Team Behind the Scene

Our stage crew, which was organized in 1922, deserves a great deal of credit for their unselfish work in caring for the stage and the projection booth. The members of the crew often spend several hours a day after school fulfilling their duties. At the present time Mr. Johnson is the faculty adviser. A student must have his parents' consent to become a member.

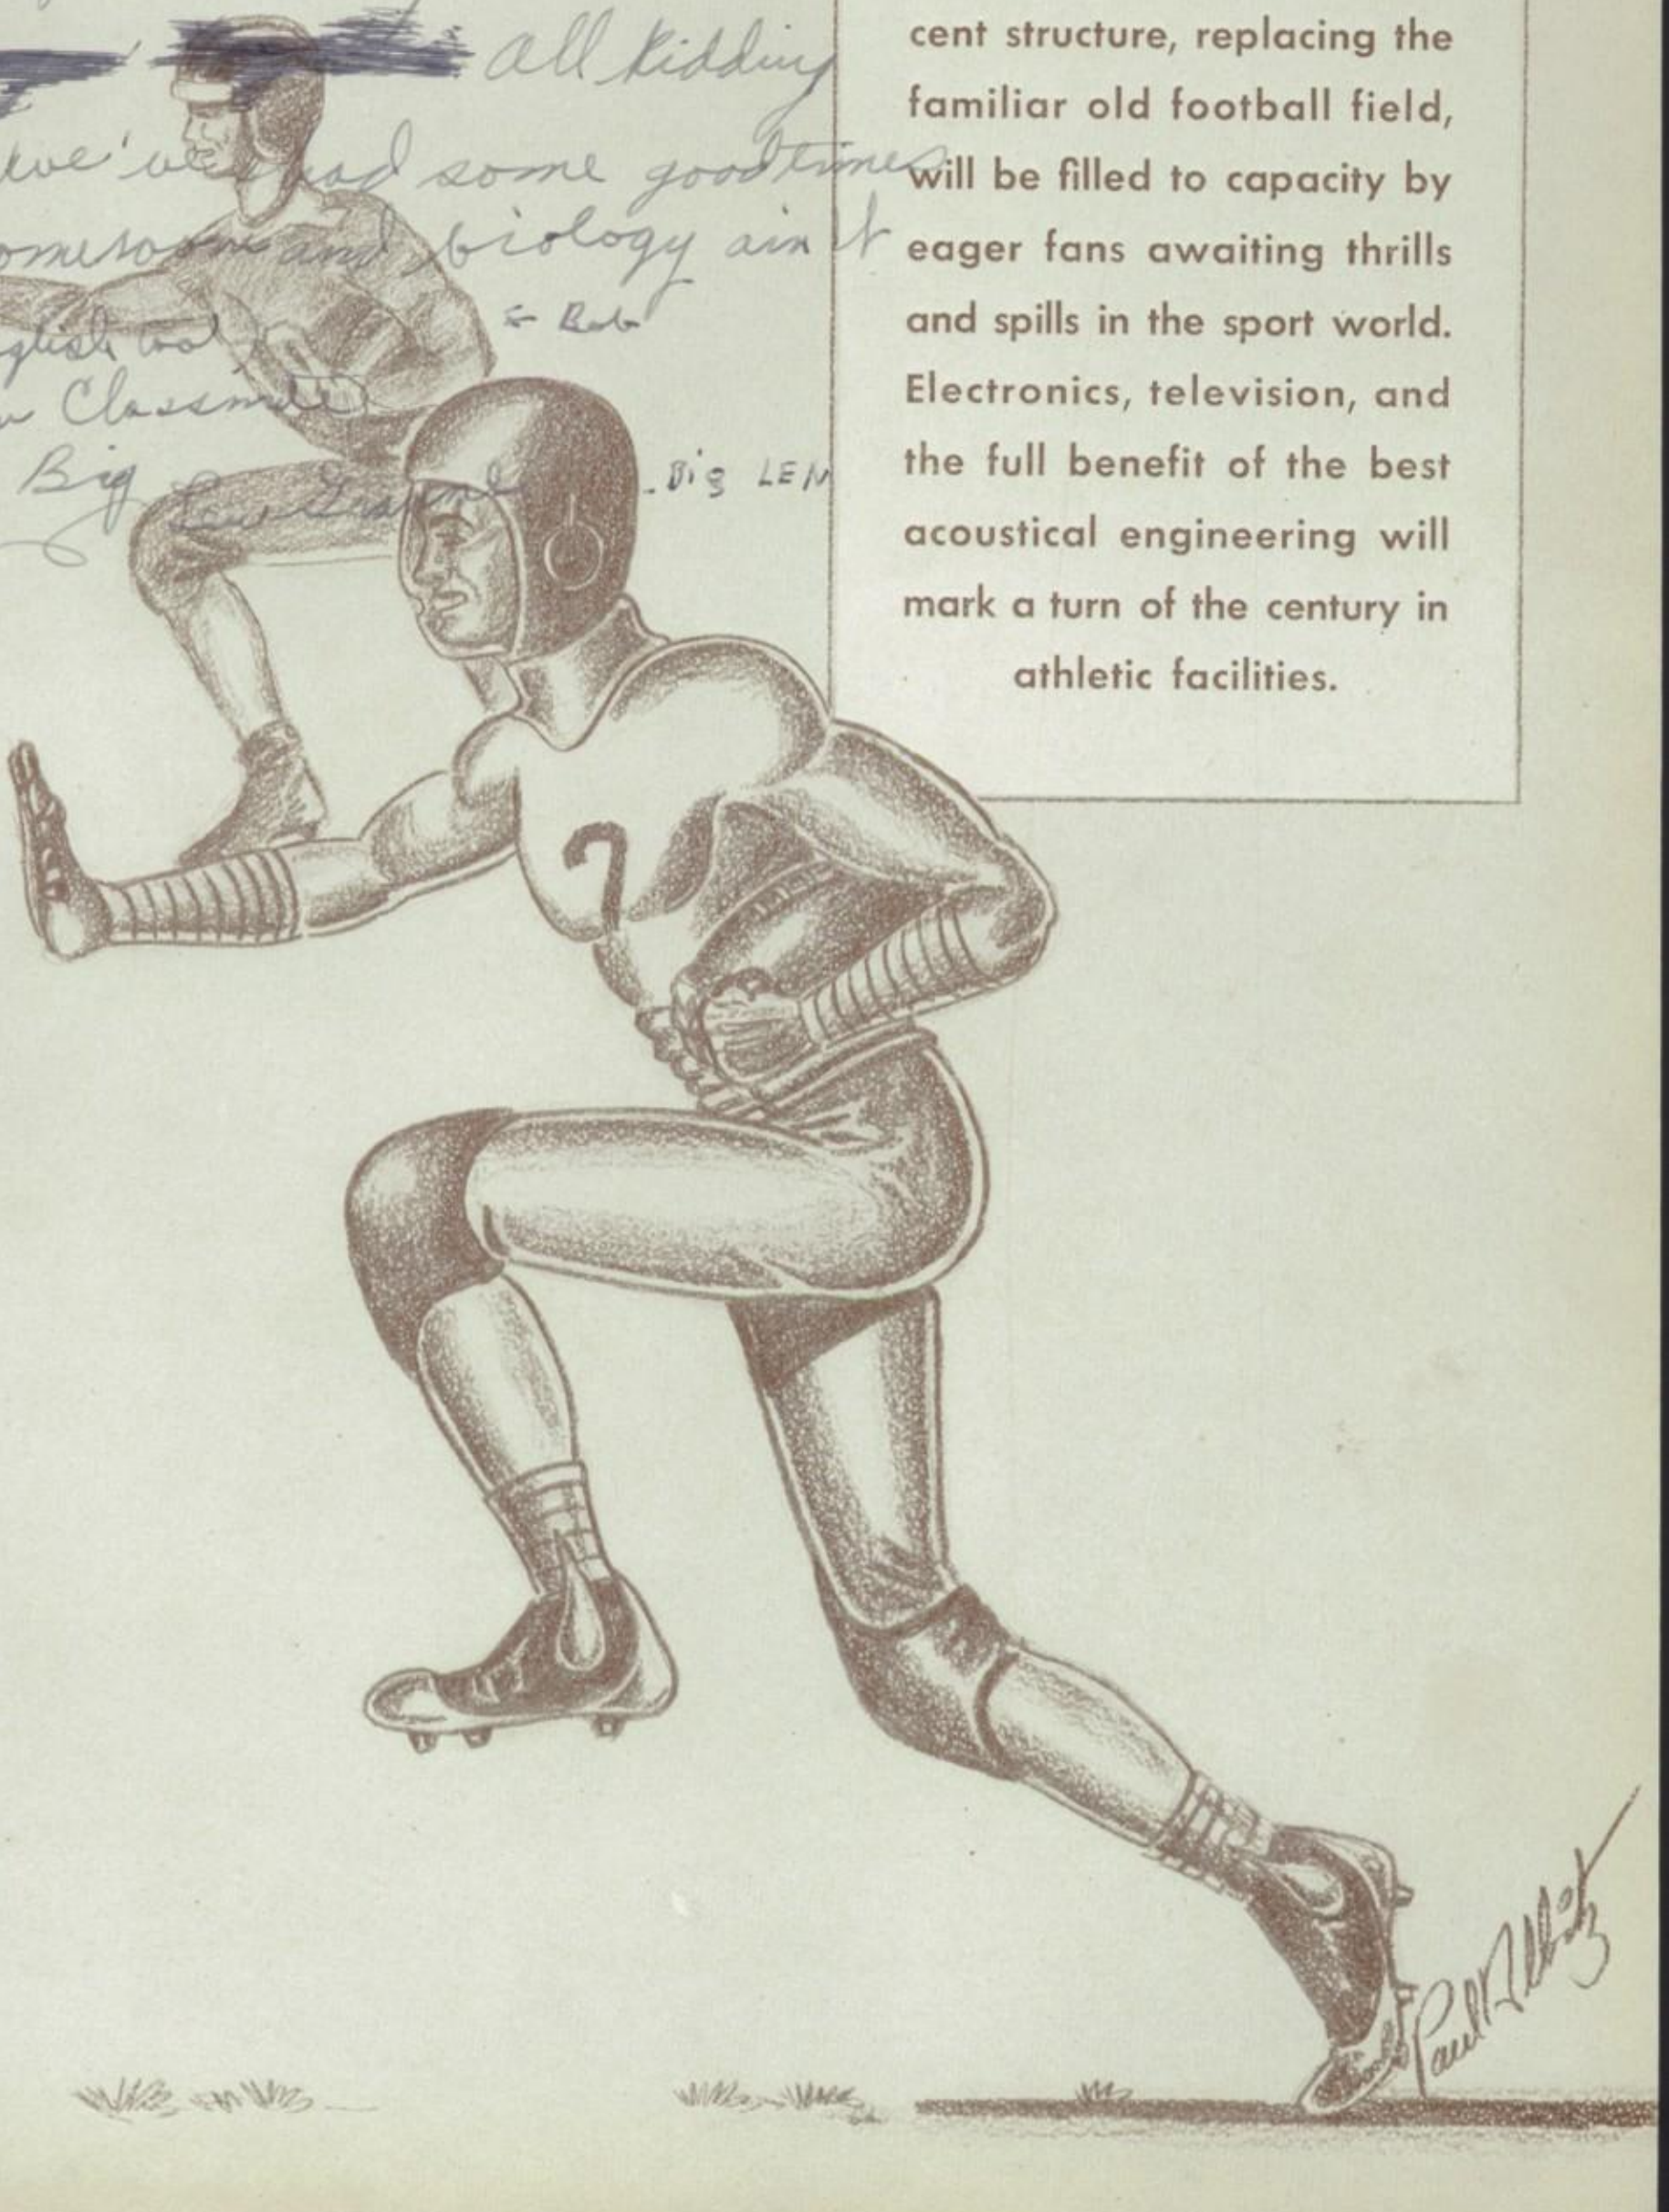
★ When it's time for fun, the Teddy athletic stadium will offer its services. This magnificent structure, replacing the familiar old football field, will be filled to capacity by eager fans awaiting thrills and spills in the sport world. Electronics, television, and the full benefit of the best acoustical engineering will mark a turn of the century in athletic facilities.



Aces On the Field

Seldom does a person see a football squad with such hard-fighting, clean-cut youngsters as our team had this season. Each player was outstanding at his position. On rare occasions have sports enthusiasts seen such hard, accurate tackling and blocking throughout the whole game as our boys exhibited in the championship game with South. The versatile and smooth attack by South was almost stopped by the stout Teddy defense, but South won in the last quarter by scoring from the six-inch line.

The stalwart Teddy linemen, John Grygelko, Al Anderson, Bruce Johnson, Bob Grannes, Dean Stagnes, Harold Turner, Bob Skelnar, and Bill Standly were firehouses, exploding into the opponent's lines. They put up an impregnable defense in the South game. The line deserves a lot of credit. The fast-charging backfield, Wayne Hartley, Russ Adamson, Cy Harris, and Humphrey Taylor was a threat to every team they played. Co-captains Cy Harris and Humphrey Taylor led the scoring while Russ Adamson, Cliff Siewert, and Bruce Jamieson did most of the kicking.

Cy, at it again.

Victory On the Gridiron

The Teds opened the season by freezing the rugged Polars to a 13 to 13 tie. With Cy Harris and Humphrey Taylor carrying the pigskin, the Colonels trounced Marshall 25-6. In the third game the flashy Teddies out-played Henry to win one of the most important games of the season. Massive Bruce Johnson was one of the most outstanding players of that game. It was one of the biggest upsets of the season. In the homecoming game with West, the Teds fulfilled the homecoming slogan, "Corral the Cowboys," by handing West a 25-6 defeat.

In the hard-fought game with Washburn the Teds were too much for the Orange and Blue, despite the fact that they were held at bay for the better part of two periods. During the second half Roosevelt's "twin dynamiters," Humphrey Taylor and Cy Harris, came to life to chalk up a 21-7 count. Buzz Wheeler, Washburn's ace kicker, made it hard for the Teds with his beautiful punting.

"B" Gridders

This year's B Squad proved to be very successful in its driving surge to outplay its opponents—West and Washburn. The fine teamwork of the Teddy gridders was too much for the opposing teams.

With Bob Adler doing most of the ball carrying, the Teds broke loose to defeat West 19 to 0. The Cowboys threatened in the first period, but to no avail. The Teds then started their march down the gridiron towards their first win of the season.

With confidence from their first win, the Teddies chalked up a 24 to 6 count against a weak Washburn squad. Haldo Norman and Eugene Larges did most of the ball carrying, with Norman playing a brilliant game. The pass offense proved to be too much for the vanquished Millers.

This year's eleven showed many promising players for the coming year. The give-and-take attitude of the players should show results in next year's games.

Northwest Champs

The Roosevelt gym team opened their season with a victory over Vocational in a dual meet in C and D classes.

The next meet was the city meet in which Roosevelt placed second to North in all three classes, B, C, and D. After this meet Kenny Johnson and Harold Turner were lost to the B class by graduation. C class lost Larry Manoleff, Bob Eidsvoog, and Bob Hanson.

In the Twin City meet, Neil Wales and Denny Roholt placed third and fourth place, respectively. In C class Carl Grewe, Richard Willie, Jack Waataja, and Allan Powell placed in the first fifteen. Ray Drews, Robert Bean, Lenny Grannes, Norman Pallorino, Don Kimball, and Ken Golby placed in the first ten for D class.

Roosevelt won the William Mueller Cup for first place in the Northwest gym meet. All four members of the B class received medals. They were Neil Wales, Denny Roholt, Dick Hilden, and Tony Legune. C class medal winners were Carl Grewe, Richard Sanders, Jack Waataja, and Allan Powell. There is no D class competition in this meet.

In the state meet Roosevelt placed second as a team. D class was first, and B and C classes were both second. All four B class men again won medals. C class medal winners were Carl Grewe, Allan Powell, and Roger Nosker. Medal winners in D class were Connie Sweeny, Art Abrahamson, Leroy Jedlicka, Ray Drews, and Don Kimball.

Eventful Season for Teds

The Teddy cagers meeting the more experienced Marshall team first, played at a decided disadvantage. With the experience gained from that game, however, the Teds made a better showing against Vocational by downing them 35-20. Against Henry, our team played an improved defensive game, but our players could not connect with their field goals.

The next three games with Central, Edison, and West proved the Teddies to be at their peak by their winning all three games.

Roosevelt came out on the short end of the Washburn game after a breath-taking battle. The thrill-crazed fans were on their feet throughout the entire game. In the big tilt with South, the Teds were leading at the half. The strength of our South Side neighbors, however, prevailed in the last half, and our cagers lost a heart-breaking game.

In the season's final game, the Teddies were definitely "off" when they lost at the hands of North.

Cagers Break Loose

Unanimously elected captain by the basketball team, center Don Holland led the team through an eventful season. Bob Bielitz, sparkplug forward for the Teddies, piled up 110 points with his spectacular shooting ability. Bob was third high in scoring in the prep league. Mighty Jim McIntyre of Henry met his equal in Vensel Johnson. Vensel held McIntyre to his lowest score of the season. A transfer from Pine River, Vensel made up for the loss of the Teddies when Jerry Krafve moved to Washington.

The guard positions were filled by Russ Adamson and Russ Hanson alternating with Bob Sklenar.

Midyear graduation losses were small as the Teds lost only two lettermen, Cy Harris and Ed Swanson.

"A lowering in the number of quarters a boy must play in order to win a letter, enabled more boys to win letters this year than ever before in the history of Roosevelt," said coach Ken Peterson.

The 1943-44 team, although it was not a winner of championships, showed steady improvement as the season progressed. The highlights of the season were decisive victories over Central and South.

The team had but three lettermen returning for the season. They were Captain Ken Peterson, Neil Wales, and Bob Rathbun. Such capable men as Paul Thompson, Kenneth Foster, Gordon Gartland, James Hedlund, Lester Rions, and Dick Flood also gave brilliant performances in their respective events.

Owing to their equally outstanding ability, Richard Brown and Ronnie Moloy were elected co-captains for the coming year. The season should be an exciting one to which all enthusiastic swimming fans should look forward.

Nine Needs Experience

The prospects for Roosevelt's baseball team this year are not as bright as those of last year. There is only one letterman returning as compared with last year's seven. The one letterman returning is Cully Carlson, a shortstop. The rest of the team will be made up of new players and players from last year's B squad. The pitching will rest on the shoulders of Bud Kleidon and Russ Adamson. Both are from last year's B squad.

The catching will be up to Roger Hamre, Dick Myklebust, and Stanly Benson. Hamre is also from last year's B squad. Myklebust and Benson are both new.

Roosevelt, which is in the Southern Division, will play two practice games with De La Salle, April 21 and April 28. The regular season will open May 2 when our team will play South at Brackett. There is a return game with South May 16 at Sibley. Roosevelt will play Southwest at Sibley, May 4 and at Pershing, May 18. A game on May 9 will be played with West at the Parade Grounds, and on May 23, another game will be played with West at Sibley. Washburn will be played at Sibley on May 11, and at Pearl, May 25. Roosevelt doesn't play Central which is not in the Southern Division.

The play-off game between the North and South Divisions will be played June 1. The Twin City game will be played June 6.

Teddy Cindermen Are Triumphant

For the first time since nineteen hundred and thirty, Roosevelt took part in city and state cross-country events. Coached by Mr. Yngve, the Teddies had a very successful season last fall. Competing in only one dual meet throughout the season, the team defeated Southwest by a very decisive margin. This meet was held at Lake Nokomis.

At the city meet held on October twenty-first, the Teddies took second place, being defeated only by Southwest. The run was two and two-tenths miles around Lake Harriet. Four of our outstanding runners placed in this meet: Captain Daniel Kimball, Richard Bigelow, Bill Schimmel, and Don Fox.

The state meet followed on November sixth at Northrop Field, and the Roosevelt team finished in fourth place.

With a successful season behind them the Teddies look forward to an even greater team this coming fall. The newly elected captain is Bill Schimmel. All of the former lettermen will be returning with the exception of Captain Dan Kimball who is graduating in June and Richard Bigelow who has left school.

Teddy Trackmen Make Good

Although the Teds opened their season on April 1 with an unusually good group of sophomores, the outcome of the season is uncertain due to the small number of returning lettermen. Those who did return are Captain Dean Stagnes, John Petersmeyer, Dan Kimball, and John Bratt. Other men showing promise for the season are Don Fox, Bill Schimmel, Luther Youngdahl, Allen Worachek, Wayne Hartley, Bob Sklenar, Harold Peterson, Kenneth Peterson, and Haldo Norman.

Scoring 7.2 points at the Metropolitan Meet, the Teds did as well as was expected by their coach, Mr. Yngve. Captain Dean Stagnes, Dan Kimball, Bill Schimmel, and Wayne Hartley were among those who placed in this meet.

Roosevelt defeated Patrick Henry in the second meet of the season. This meet took place on the home field and the Teds did unusually well as they placed first in all events except the pole vault.

Because of the large number of sophomores, who will be experienced men by next year, all Teddy track fans should look forward to an eventful and victorious season next spring.

Victorious Season

Starting their string of victories again this year, the Teddy grapplers, coached by Al Gowans, took Wayzata 40½ to 1½, led by the returning lettermen—Don Sandell, Bob Hevenor, Gene Widdowson, Bob Anderson, and Bill Snyder. The inexperienced newcomers—Bruce Jamieson, John Grygelko, Ronald Lybeck, George Eastling, and Ken Golby—showed much promise in their respective divisions.

After losing a close battle with the Volts by the narrow margin of 20½ to 17½, the spirited Colonel matmen met them again and beat them 19 to 18 in the closest game of the year. The "do-or-die" gleam in the eyes of the Teds was too much for the Volts.

In the second game with Patrick Henry at the Pat institution, the musclemen defeated them by the score, 28½ to 9½. Widdowson, Klein, Lybeck, and Don Sandell, who defeated last year's state champion, all came out as winners.

Matmen Win City Title

The Colonel matmen won the city title by defeating Vocational 45 to 43. The Ted winners were Bill Kline in the 127 pound class, Captain Gene Widdowson in the 133 pound class, and Ron Lybeck in the 154 pound division. In the city meet, Gene Widdowson staged a bang-up show by pinning his opponent in his division; and Ron Lybeck, next year's captain, beat his opponent and became the 154 pound champion of the city. Don Sandell wrestled Frank Fotia of Henry to lose one of the most closely contested battles of the day.

Not satisfied with only the city title, the Teddy wrestlers also took the regional championship. Ronald Lybeck, Gene Widdowson, John Grygelko, Bob Anderson, and Ken Golby all won in their respective divisions. The Teds placed third in the state meet.

Planning Their Strategy
Dunn, Polfuss, Strong

For the last two years in a row, the Teddie golf team has been good enough to take second place among the high schools of the city, but not quite good enough to top the unbeatable Tommies of Edison. The strong 1943 squad, led by veterans—Jim Fortier, Bob Moen, and Dick Marceau—swatted their way to decisive victories over South and Central in pre-tournament practice matches but were stopped by the champions. After that came the city tournament, and the Teds turned in a great performance but fell short of the mark set by a great Edison team.

The returning lettermen are Dick Strong, Dick Dunn, and Howard Polfuss. A large number of new golf enthusiasts have signed up with Coach Buckman, and from among them will undoubtedly come new stars. So if the now hard-to-get golf ball turns up in great enough numbers, Teddie fans can look forward to a successful season, and if the squad's chief foe, Edison, is not too strong, there are hopes of a championship team this spring.

Outlook Good for Tennis Team

Roosevelt's 1943 tennis team, led by co-captains, Bob Von Drak and Neal Peterson, carried out a very successful season which ended with the Teds taking fifth place in the city tournament. The season opened in a big way for the local swatters as they handed Blake High School a decisive defeat, winning by the score of 4 to 1. Following that were other practice games with local rivals such as Central, Edison, and Washburn, in preparation for the city tournament to be held on the University Courts. In former years, the city teams played a regular schedule, but last year, they started on a tournament basis. The Cowboys of West, led by singles champion, Ken Boyum, won the tournament, scoring 12 points. Second was Washburn with 10 points. Bob Von Drak in the singles and Neal Peterson and Bob Ulsaker in the doubles scored 2 points for the Teds in taking fifth place. Other outstanding players of last season were Carl Hallberg and Peter Erickson in the doubles and Dwight Hall in the singles.

Lettermen returning for this year's team are Peter Erickson, Dwight Hall, and Chuck Hall. The coach last year was Sheldon Curry, former Roosevelt tennis star. Mr. Daly is the faculty adviser.

Large Participation

The more successful of the two intramural sports was the co-recreational volleyball tournament. Much interest and enthusiasm helped to make the tournament a success.

Twenty-four home rooms entered the tournament. Nine of the eleven 12A home rooms were entered. Miss Mercedes Nelson, who scheduled the games, said four home rooms entered too late to be included on the schedule.

Rooms 328B, 217, and 302 led the 12A competition. Room 217 became the division champions. In the second division Room 322 came out the victors after a hard fought game with Room 127. Room 322 was not only the champion of their division, but also the champion of the school.

Leading the lower classmen competition was Room 115 which was undefeated until they met Room 322.

The girls' home room basketball tournament was cancelled after a few games were played because too many of the games were forfeited. Miss Nelson states, "Due to the fact that many girls are working after school to relieve the present man-power shortage situation the program could not be a success. It is believed, however, that after the war girls' homeroom basketball competition will be resumed."

Big Future for Intramural

Boys intramural basketball reached its height this year at Roosevelt. Because of the importance of physical fitness for military service, intramural is being especially stressed.

Mr. Johnson's home room 160, formerly Mr. Zuppann's home room, won the championship of the school. Captained by Al Anderson, room 160 fought itself into its second consecutive year of winning the school championship.

The eleventh grade champion was room 316, captained by Dean Baar. The lower classman winner was the tenth grade home room, 115.

Mr. Christensen and Mr. Strandjord, who made out the basketball schedule, said the tournament had the largest participation of any before at Roosevelt.

Mr. Christensen is thoroughly convinced that co-recreational and intramural sports are the coming thing. One important opportunity that intramural sports offer is the chance for everyone to participate in sports whether they have outstanding ability in that field or not.

During the past eighteen years, homecoming at Roosevelt has been one of the most important events of the entire school term.

This year, the festivities opened with the crowning of Queen Elnore Anderberg and King Peter Erickson, who ruled over the day's celebration. The game that followed was an exciting one; Roosevelt defeated West 27 to 6.

In the evening everyone enjoyed a good time at the sparkling auditorium program of student talent followed by a movie and later by dancing in the gym.

The day especially honored Roosevelt graduates who are now in the armed services.

Seven Sisters

DIRECTED BY LEITH SHACKEL

Seven Sisters was adopted from the Hungarian of Hercyey, by Edith Ellis. The plot tells of the comical troubles of Widow Gyurkovics in trying to find a husband for each of her oldest daughters, Katinka, Sari, and Ella. This problem is complicated by the ancient custom of marrying sisters in the order of their age. Mitzi, the fourth daughter, is a little spitfire. She is expelled from the boarding school where she stays for running away to attend a ball. She encounters Horkoy, her partner at the ball. He makes her a wager of three kisses that he can marry off her sisters in a year. He succeeds humorously in doing this, and the play ends as Horkoy claims his reward of three kisses.

Remember the Day

DIRECTED BY LEITH SHACKEL

Remember the Day was written by Higley and Dunning. The plot revolves around the life of Dewey Roberts. He is in love with his teacher, Nora Trinell, who is in love with Dan Hopkins, athletics teacher. Hopkins is thrust into an embarrassing situation when Edith Phelps, a student, tells her father she was out with Hopkins to cover up her date. Edith's father goes to the principal. Hopkins is dismissed. He leaves Nora's life forever and is killed in war. In the epilogue, Nora Trinell is shown in the lobby of a luxurious hotel, waiting to see D. W. Roberts, who is now a prominent figure in Washington, D. C.

Ice Skating

This winter Minneapolis was unfortunate in having a short season for winter sports, but this didn't stop the Roosevelt skaters from taking top honors in most of the city meets.

The most outstanding speed skater at Roosevelt is Betty Fahlin from the Loring Club. She not only won all her races in Minneapolis but also took top honors in the Manitoba races. Roger Brovald and Gerry Scott were the city's best Junior skaters. Edith Anderson also placed in many meets. All belong to the Loring Club.

Bob Mohr, one of the best skaters from the Powderhorn Club, came in first in the Ten Thousand Lakes and Manitoba races. Jerry Paulus, also from Powderhorn, placed in both the meets.

Marion Rudie, Roosevelt's best figure skater, spends most of her time at the Arena practicing. She plans on joining the Ice Follies when she finishes high school.

Although an organized Bowling Club has not yet been established at Roosevelt, this type of recreation has proved to be very popular among the students. The increasing number of bowlers are encouraging many new amateurs who have never before been interested in the sport.

Roller Skating

Roller Skating in the last few years has made a good place for itself among the Teddies. In the fall of 1943, the Roller Club was organized in Roosevelt by a few enthusiastic roller fans and now has a surprising membership of 70 led by Bruce Jamieson, president. The Club goes practically every Friday night to the Coliseum Roller Rink in St. Paul. The meetings are held every Thursday night at Roosevelt, and a few of the members bring their skates and skate in room 328B.

Teddy Personalities

Chief radio man
Braaten

Every school has its personalities, but Roosevelt seems to have an unlimited supply. Among this large group the most prominent personalities are the club leaders and the council members. Much of the credit for the success of our student government is due to these students because of their widespread popularity, their leadership, and their interest in their work.

Teddy Talent

Nearly everyone is possessed of some kind of talent or ability to do something well. At Roosevelt, talent is abundant. Music, art, and acting are only a few of the many interests of the students. Many of these talents are derived from earlier hobbies that grow with time and occasionally become an asset in pursuing a profession.

Sagamore Day

Several weeks before the June graduation, the entire student body anxiously looks forward to receiving the new Sagamores. When that day arrives and the books have been issued, the password becomes the familiar phrase, "Sign my Sagamore, please?"

As the years go by, the yearbook becomes invaluable to each graduate because it is a link in the chain of memories of the good old high school days.

The N.F.S.C. Convention

This year Roosevelt High School had the honor to be host to the eleventh annual meeting of the Northwest Federation of Student Councils. The meetings convened on April 21 and concluded on April 22.

The convention is made up of two students and an adviser from each school having a student council in Minnesota, Wisconsin, Iowa, and North and South Dakota. One of the two students is a voting delegate, and the other, an alternate.

At the business session there was a meeting of the student officers of the present organization to determine who shall hold office the following year and which school shall be the host.

Elaine Dziuk, Foley, Minn.; Frank Brandenberg, Faribault, president; Marian Grette, Roosevelt High, secretary; Paul Albitz, Roosevelt High and Elaine Hainlin, Brainerd.

School and Work Go Hand in Hand

The Occupational Relations course offered to students enables them to gain credit for outside work. Under this new program, these students attend classes in the morning and work three or four hours in the afternoon. The students gain valuable training, earn money, and still go to school.

The Board of Education is the sponsor of this program with Mr. Olson acting as coordinator for industry, and Mr. Wagner as coordinator for office and store work.

Teddy Toilers

Many Teddies are now working voluntarily after school, week-ends, and on holidays. They are not excused from school to do this, and they must keep up their regular studies.

These students, besides earning money, are being patriotic by helping out the manpower shortage. They are also gaining valuable training which will help them to get and hold a permanent job later on in life.

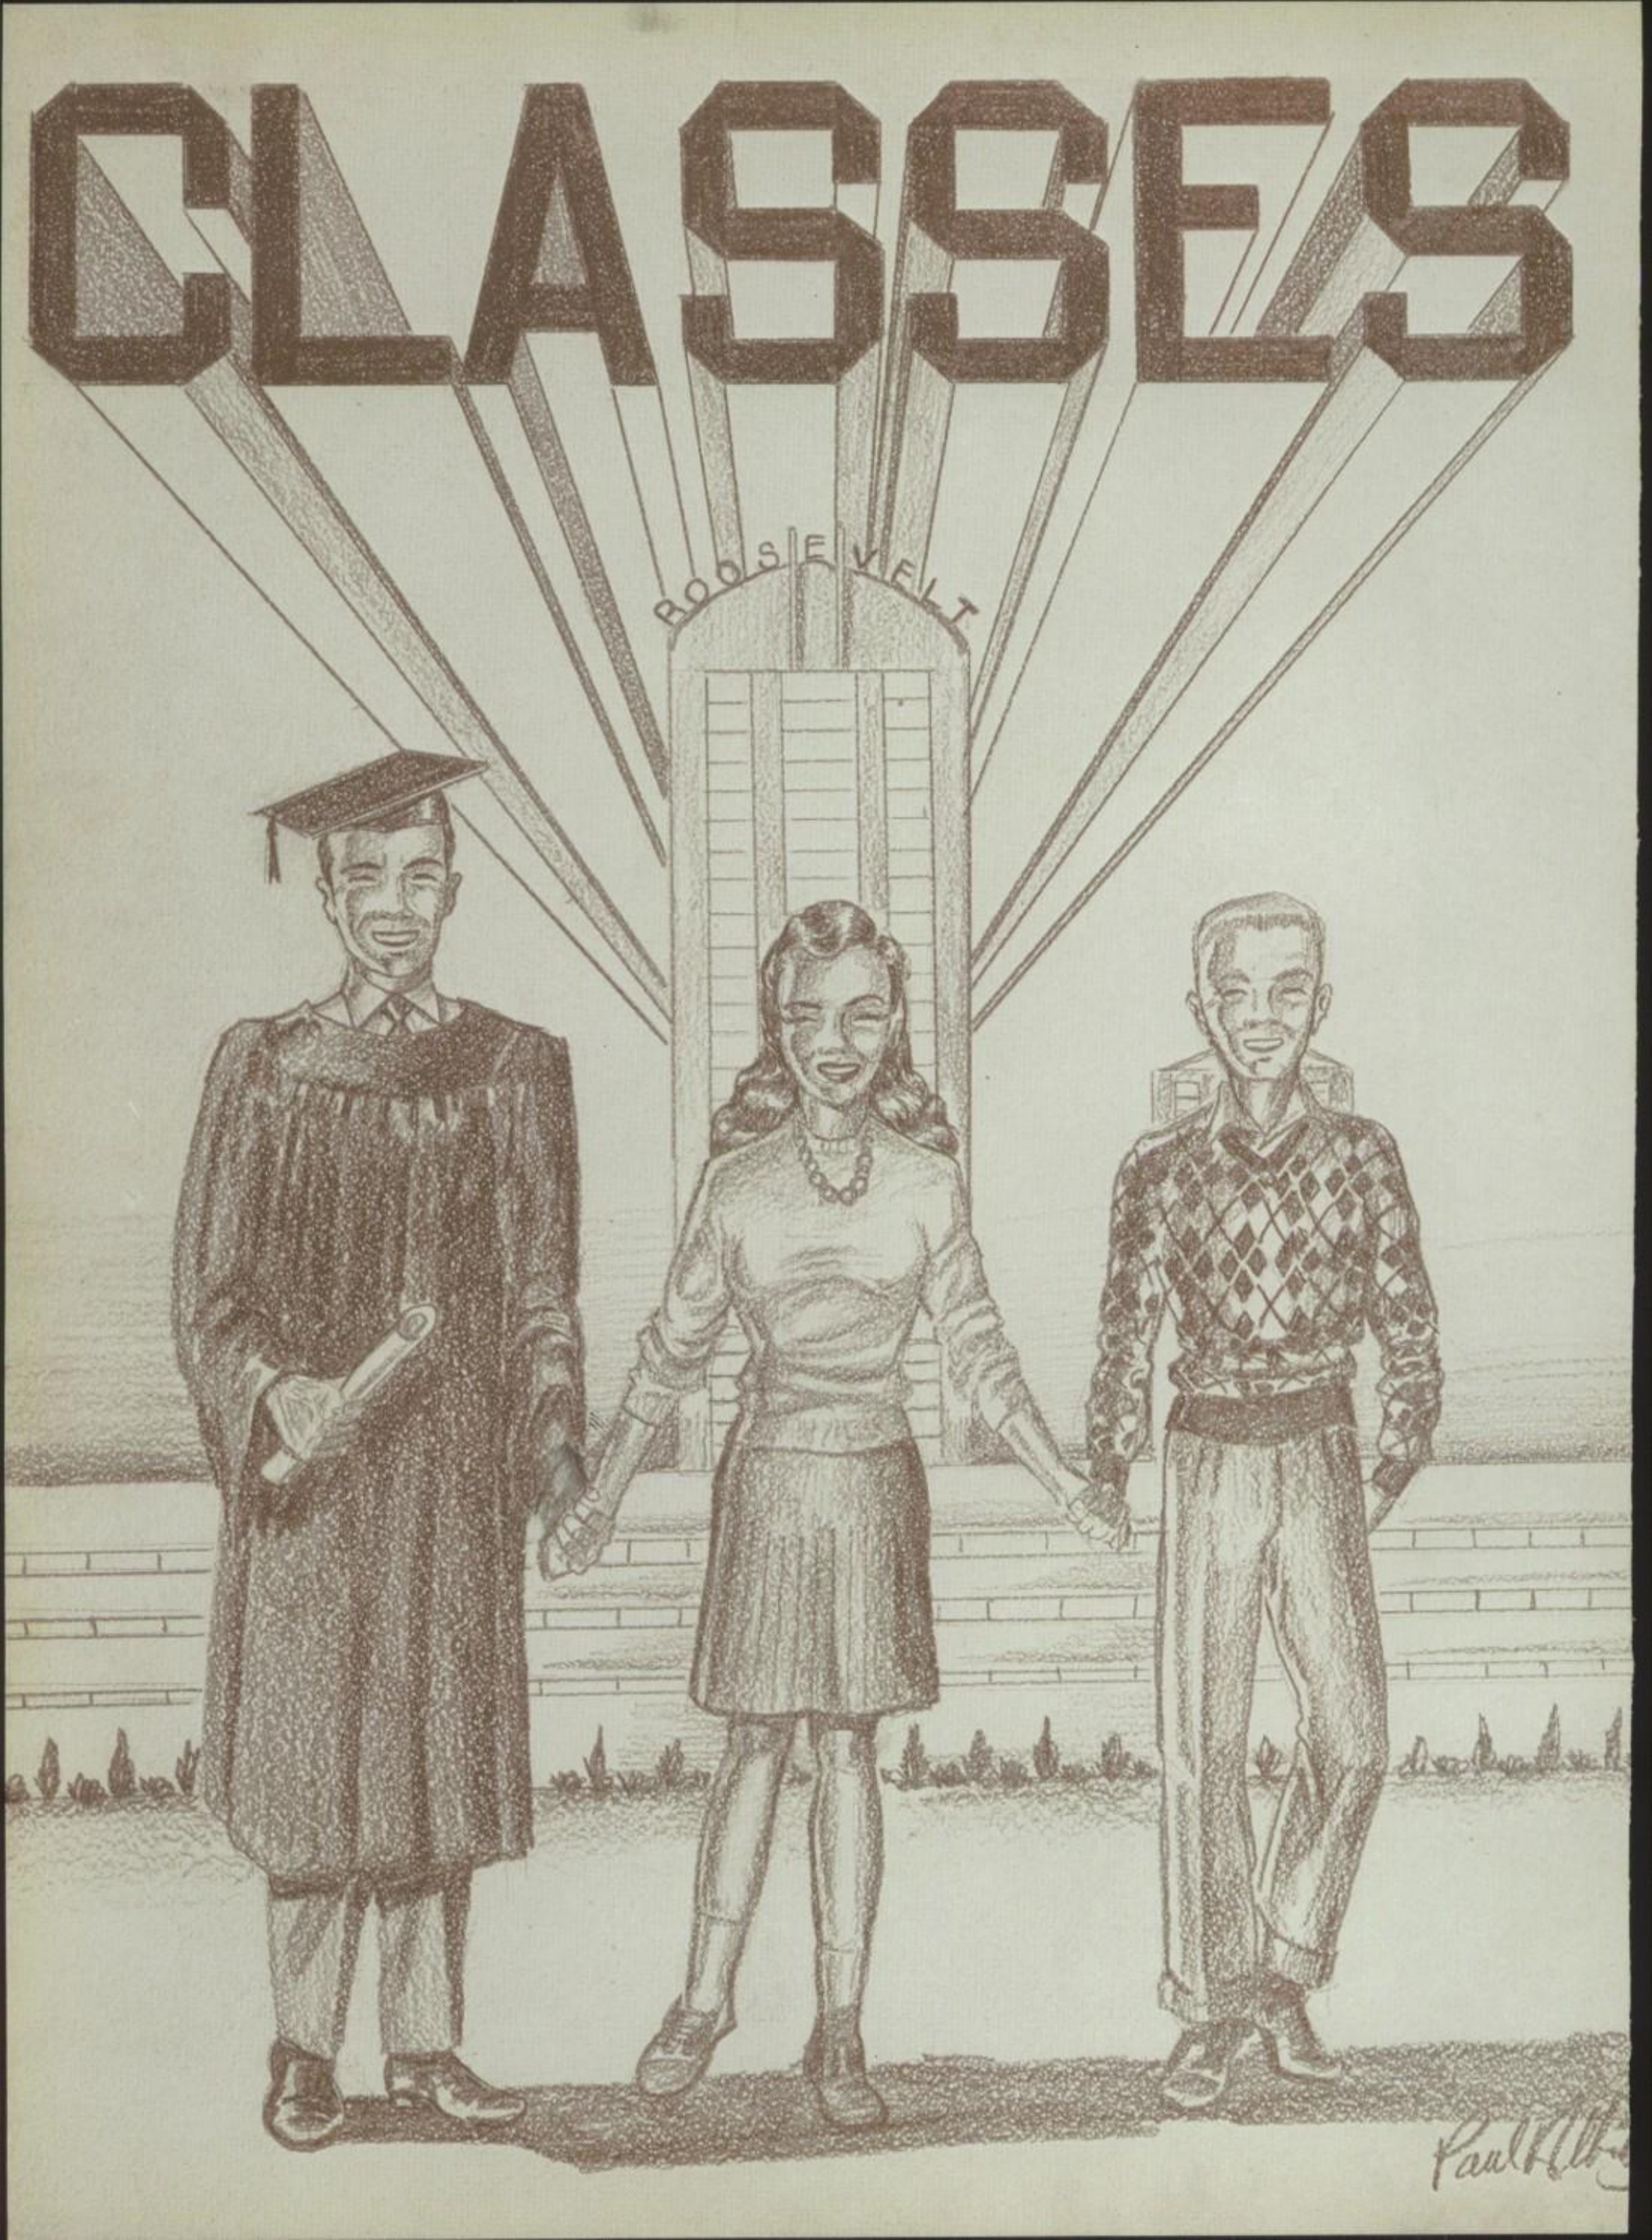
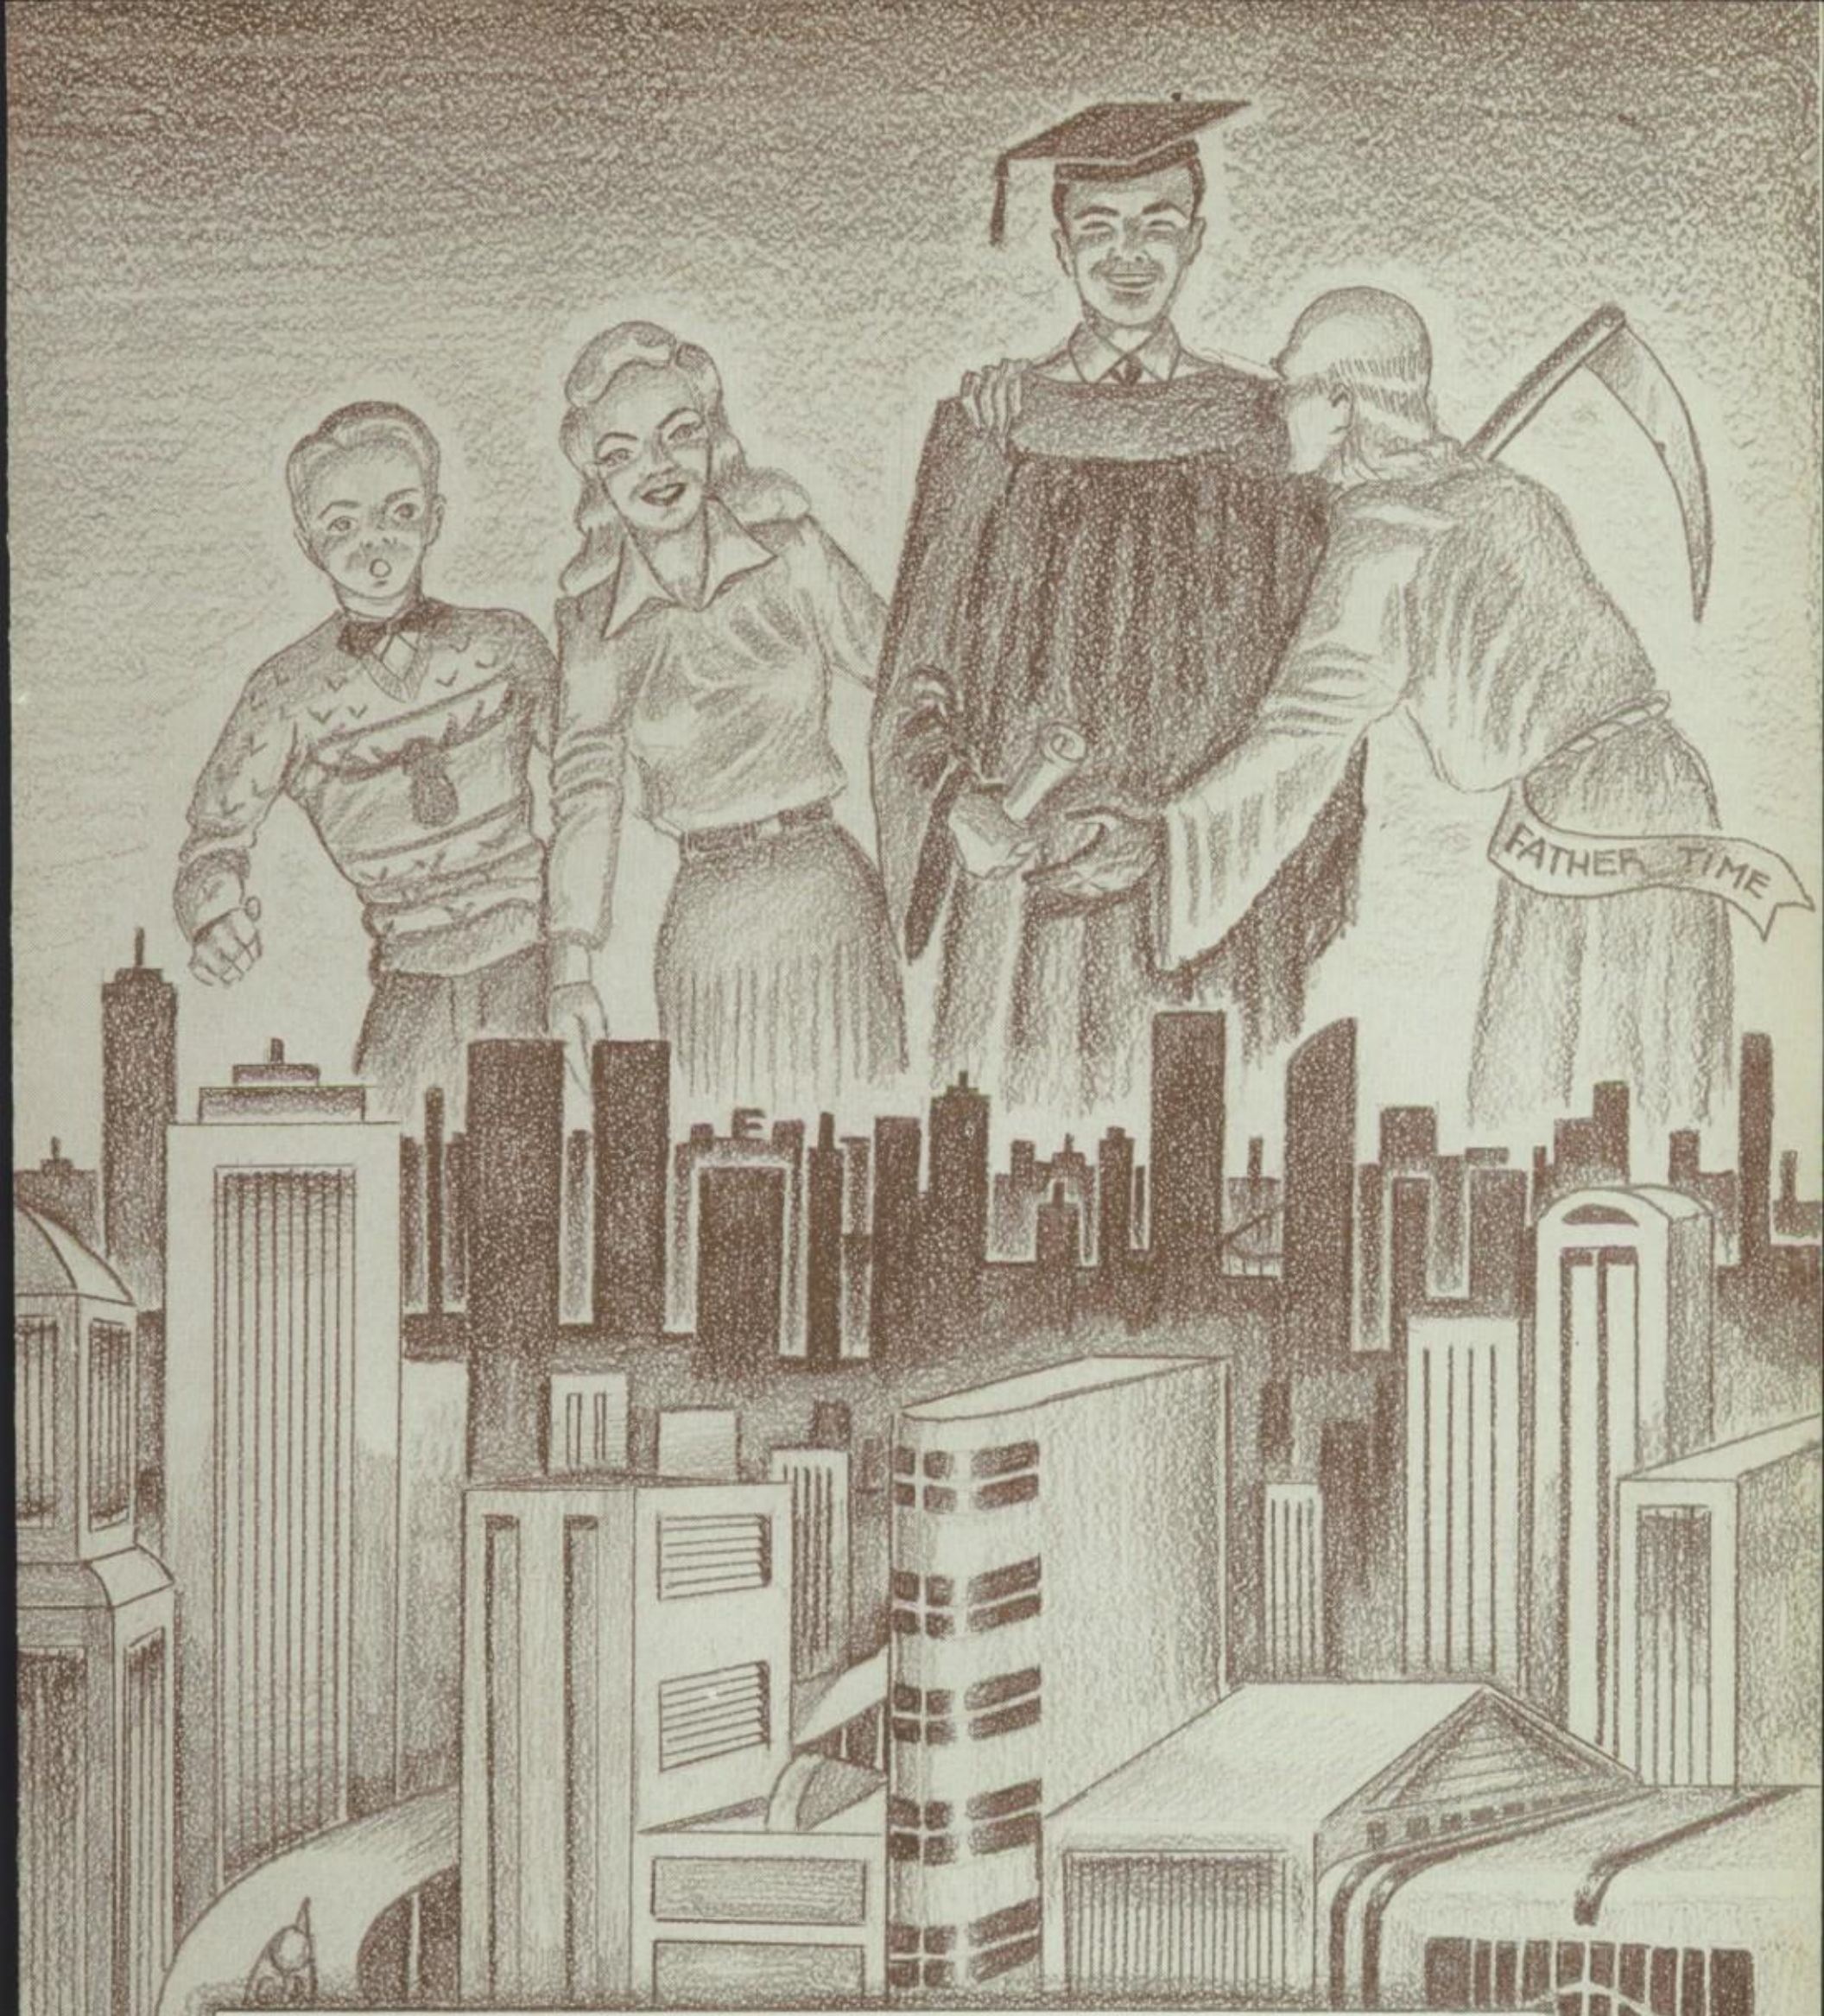
CLASSES





★ Tomorrow's task is part of today's responsibility, and is dedicated to the idea that men, women, and youth of this land can and will build a brighter tomorrow. No people anywhere now face or ever have faced a task more difficult or a greater responsibility. On the other hand, advantages will be many. Fortunate indeed are we young Americans in living in a land where it is the privilege of all to obtain a liberal education and to share in the opportunities of the future.

Mrs. Gerard, Engstrom, Burke, Mr. Weum, Nagle, H. Olson, E. Swanson, Mann, M. Johnson, Paulko, Christensen.

EXECUTIVE COMMITTEE

The Senior Executive Committee, which is composed of two students from each 12A home room met each Tuesday morning during the term. The committee handled all the business of the 12A class. Members reported back to their rooms, and in this way the rooms could work together.

January officers were Joe Christensen, president; Dick Mann, vice-president; Eleanor Paulko, secretary; and Melvin Johnson, treasurer.

Mr. Weum and Mrs. Gerard were the advisors.

AWARD WINNERS

Each semester at graduating time, awards are given to those students who have done outstanding work and maintained a high scholastic average in their particular subject.

The awards, many and varied, are based on personality, character, scholarship, efficiency, and service.

Most of the awards consist of the engraving of the recipient's name on a trophy or a personal gift. Awards are given for outstanding work in languages, for progress in commercial subjects, for service, and for citizenship.

Row 1—Braaten, J. Hanson, O'Rourke, Sparks, Titus, Christensen, A. Anderson. **Row 2**—Gulstrand, Burke, Anderberg, Froysland, Flom, Nilsson, Huston, Berg, Staack, M. Erickson.

Row 1—Hjelmeland, Froysland, Anderberg, Titus. **Row 2**—Christensen, Eidsvoog, M. Johnson, B. Johnson, A. Anderson, H. Taylor, Harris.

SERVICE HONOR ROLL

For their outstanding service to the school, eleven A seniors have been cited on the newly organized Service Honor Roll.

To qualify for it, a student must have at least 1,000 service points. In no case can the number on this roll represent more than five per cent of the graduating class. Thus, as in the case of the January class, a student might have to obtain more than 1,000 points to make the roll.

Executive Committee

The officers of the Senior Executive Committee of the June class were Jim Norquist, president; Mahlon Degernes, vice-president; and Charles Hall, secretary. One student from each 12A home room was on the committee.

The work of the committee was to vote on expenses paid by the class, appoint committees to plan commencement and other activities, and handle the business of the 12A class. Advisers of the committee were Mr. Halron and Miss Carlson.

Service Point Awards

A group of A senior students have been cited on the newly organized Service Honor Roll. This is an excellent way to honor the students who have done more than their share.

A student must have at least 1,000 service points to qualify for it. The number on this roll cannot represent more than five per cent of the graduating class. If the class is a large one, as is the case of the present class, a student might have to obtain more than 1,000 points in order to make the roll.

My little B

When Cully is gone
I'll help him and look
after you so here's wishing
you and him and the all
the luck in the World

Dear Bea,
Its been
lots of fun knowing
you and I hope
our friendship
can continue.
Best of luck to
Cully.

This year, as in years past, the awards and scholarships are given to the students after the SAGAMORE has gone to press.

This page is reserved for your Award Day program. Cut along the black lines and insert the corners of your program.

Dear Bea,

Haven't we had the most "Marvell Sarcasm
times this last term, and you know
why, I think. Next term will have
to batch it when all these be-eatiful
athletes leave. I could write just pages
and pages, but for most of it you'd
have to read my diary. Here's hoping
you survive the summer in the good
old Roosevelt way of surviving things.

Dear Bea,

When I am out in the South Pacific playing with the Japs and I see one (a Jap that is) I'll think of you because the Jap is so so gruesome and you are so so sweet.

I really mean it, I mean really too!

Well, Honey, I'd like to write more but the whole dogone club will read it!

Ah Res Sortvor

Dearest "Bea,"

This is just to wish you and "Cully" all kinds of luck and happiness.

You know already that I think you are one of the nicest, prettiest, sweetest, and intelligent-est I've ever known. I've certainly enjoyed knowing you in the past couple years. I hope we'll get together sometime and go out when Cully gets to the Pacific. (cha ha!) Be good and have a good time and vacation.

This is with sincere wishes for a perfect future. You deserve it!

Love,

Mary Sue Larenson
